To the student taking the Official GED test:

Vita must provide a report of student GED test results to our funders. The easiest way for you to help is to complete the form below. If you are registering by mail, send this form to the Testing Center. If you register in person, bring this form with you and give it to the administrator of the test. The Center will send Vita the results.

To the GED testing Center:

I give my permission to release results of the GED test to:
